

Congratulations – You have now had an athlete(s) qualify. Now, print off the REQUIRED [WAIVER FORMS HERE](#). Each participating athlete needs to have this form completed by themselves and a parent/guardian.

You (coach / parent) will collect these waivers for your entire group, put them into ALPHABETICAL order by last name and present them when picking up the team packet. The packet we give you will have a race bib for each of your qualifying athletes. This number is what will get the athlete into the meet / facility. If you do not have a signed waiver for each participant, we will remove that number from your packet and the athlete will not compete. We will not take cell phone images and phone calls from mom or dad to say it is okay. **YOU NEED TO HAVE WAIVERS for each athlete. NO EXCEPTIONS**

Each team will only send ONE coach/representative to the packet pick up area. This person will need ALL waivers and will need to take the complete packet at that time. You need to work out your own logistics of arrival times within your group etc. If you show up without a WAIVER and we pull a respective athlete's number out, we will not hold this number nor wait for a parent / coach to show up for it later. Please be organized before arriving.

PACKET PICK UP - Saturday, May 24th – packet pick up 7:30 a.m. – 9:30 a.m. (Must have signed waiver(s) in alphabetical order) Regardless of when you are scheduled to compete, packet pick up ends at 9:30 a.m.

Again, we will not split up packets. One designated person will need to be assigned from your group and we need to take all the information at one time.

We will provide two wristbands for free admission in the team packets. We will supply one wristband to individual Unattached entry qualifiers. You can purchase **additional admission for \$8** each online [HERE](#). All admission is online. No cash at the gate.

The athlete will wear the assigned bib number on the front of their uniform to obtain entry into the meet. Athletes will need to enter the North entrance under the main gate.

Team Camps/Tents – Team camps/tents are allowed outside of the fenced areas. **DO NOT** attach your tent to any of the fences. **BUS/TEAM** parking is in the North lot at the complex. **SPECTATOR** parking will then complete the parking area as well as the south lot and street parking.

All admission needs to be purchased [ONLINE](#), in advance. You need to share this information with ALL of your families and friends and make sure they share this information as well.

Starting Blocks are provided.

Batons – Bring your own batons.

Most Important / General Information for everyone.

This meet is NOT sanctioned by a governing body. There is NO complaint department. This meet is only about the talented students. No host or volunteer, or event workers have any special interest in any one athlete. Calls made and rules followed are all we are doing to create a structured, fun and competitive environment. **If you feel the need to create conflict over a children's track and field meet you are entered in the wrong meet. Please make it about the kids and enjoy the day of competition.**

There will be many talented athletes at the event. Rest assured that there are many more in Wisconsin and around the world that are as gifted or more talented and could not all be with us today. The event is set up with the intent to give those wishing to attend a higher level of competition an opportunity.

The rules/guidelines of the meet are adaptations to many other levels/organizations. The way things are set up and organized is based on the size and availability of the facility and time considerations of participants and those who are working the event.

It is your privilege to be participating, but not a right. PLEASE keep this a fun and competitive event. If anyone has any issues with the rules/organization of the event, you must consider

withdrawing from the event and search for something that best fits your needs – because we are having a fun and competitive event here.
