

May 14<sup>th</sup> at 8 p.m. is the deadline to have posted any results to athletic.net that you wished have included as qualifying marks.

The evening of May 14<sup>th</sup> we will go through qualifiers in all events. As they are selected or rejected, they will appear on your team or individual account page. Go to your account – choose the Wisconsin MS Track & Field Meet and click the link shown below that says VIEW INVOICE, that will bring you to the next page where you can then click on VIEW (School/Name of account) ENTRIES as in the second image below. That will bring up your entries. As we go through the selection process, a GREEN dot will appear next to those who qualify and a RED dot next to those who do not. We will also post a complete list on this website by noon on Sunday, May 15<sup>th</sup> at this link that brought you to these instructions.

Until that time, you can all watch your own personal/team accounts for your entries.
