

**UPDATED – 5/7/22**

**Please read through this carefully and note some of the yellow shaded areas. I will begin with a handful of answers to FAQ's, but please read thoroughly.**

- We have added an 800 relay event for the top 20 teams registered
- 6<sup>th</sup> grade only division for 100, 200,400 and Long Jump (Top 10 qualify)
- #8 shot for boys and #6 for girls
- 100 hurdles at 30" for both genders
- MUST have results posted on athletic.net – we will not be gathering emailed or paper results
- Outdoor performances only
- 6<sup>th</sup> thru 8<sup>th</sup> grade only
- Need to Pre-Register by May 7<sup>th</sup> to be considered/accepted to compete
- \$10 for each event and \$20 per relay team

Athletes can participate through their school or as individuals. Coaches are welcome and encouraged to enter their respective athletes that qualify. However, parents can enter their children as well. This only being a third time event that we will host annually, we are hosting with the intent of getting some of the state's top middle school track and field athletes together for individual honors. There are many plans for future events, however, it will not be scored in any manor to create any kind of team champion. With your participation and cooperation, that may be something for the future. For now, we simply want to create an event that all qualifying performers are welcome to attend and see where the future lies within the event.

**Location:** All events will be held at the very nice, Waupun High School Track & Field Facility. The 10-lane track and runway surfaces, including the high jump and pole vault areas are made of a Polyurethane material so please use 1/4" spikes or less.

### **How to Qualify for Entry:**

To qualify, your personal or relay F.A.T. time/distance needs to be registered on athletic.net from any outdoor meet through May 14<sup>th</sup>, 2022. From the PERFORMANCE LIST tab that will be available on athletic.net as well as posted on this site (adesports.com), you will be able to monitor your status as the qualifying period approaches.

For posting your season performances, you are responsible for getting the results posted to athletic.net via yourself or the host school etc.

To see the PERFORMANCE LIST for current listings on results – click on the PERFORMANCE LIST tab on this webpage as well. This will also take you there:

## Pre-Registration:

At this point, everyone should be starting to PRE-REGISTER the athletes. (Intent to Enter is not an entered athlete- that was simply to give us a listing of who (or) what schools need to be chosen to create the above-mentioned PERFORMANCE LIST)

We use the language “Pre-Register”, but when you go on athletic.net and enter the athletes but clicking on the REGISTER tab, it will take all your information and credit card information. Registration is \$10 per event. You are NOT registered officially then until the May 14<sup>th</sup> end date for qualifying marks. At that time, we will list the top qualifiers based off who “Pre-Registered” – if your athlete is in the top 30, top 40 etc., they will then be accepted via athletic.net and official entered/registered and your card will first get charged at that time.

All meet Pre-Registrations will be done by entering your athletes on athletic.net. Anyone that has a recorded mark of any kind on athletic.net is allowed/eligible to Pre-Register by May 10<sup>th</sup>, 2022. This can be done at ANY TIME up until the May 10<sup>th</sup> deadline. (Please read the Qualifying info by clicking on the **Qualifying** link of the event webpage.)

All registration will require a credit card transaction to enter. No credit cards will be billed/charged until we have officially accepted your entry upon your athlete qualifying on May 14<sup>th</sup>/15<sup>th</sup>, the official qualifying notification date. Again, you must Pre-Register and you will need a credit card to do so. The card will only be charged if the respective entry qualifies after the May 14<sup>th</sup> deadline.

**How this works:** You PRE-Register your respective athlete(s) for events at any time to indicate to us that you are hoping/planning to participate in those chosen events. Registration is \$10 per event. On the evening of May 14<sup>th</sup>, we will “accept” those athletes that have qualified in their respective events ONLY if they were Pre-Registered. If you have not Pre-Registered, you will not show up on our list of potential entries.

The list we work from to choose the qualifiers is the PERFORMANCE LIST that is mentioned above. Our list is only those ranked athletes that have made the commitment by Pre-Registering by May 10<sup>th</sup>, 2022.

Qualifying athletes that choose to scratch after our qualifying list is posted on the evening of Saturday, May 14<sup>th</sup>, 2022 are asked to make this scratch by emailing us by Sunday, May 15<sup>th</sup> by 12:00 p.m. After this time, there will be no refund of your \$10 registration fee.

If any of the Pre-Registered athletes from the posted qualifiers list do scratch – the next qualifying athletes will be notified and invited to officially register to compete.

- Deadline to **Pre-Register** an entry is May 10<sup>th</sup>, 2022 on athletic.net.
- Meet Fee Payment for entry will be collected online through athletic.net when you register. The credit card will only be charged upon qualifying on May 14/15<sup>th</sup>.
- UNATTACHED registration does not get asked for credit card info. For UNATTACHED entries, once you are ACCEPTED/QUALIFY on May 15<sup>th</sup>, you will receive an invoice to be paid via credit card.
- There will be no day of meet entries.

**Entries:** All entries will be submitted using Athletic.net. Performances are pulled from results, posted to Athletic.net from all meets through May 14<sup>th</sup>, 2022.
