Field Events - 4 attempts for each athlete. Field events are finals.

For the jumps and throws – Athletes will/must take one attempt each time their name is called, in seeded order. (This replaces any previous information) If you are present and/or you are not checked out of the event, you must make an attempt. If you pass any round that your name is called, that will be counted as a scratched attempt. The top seed will be jumping last, despite how any of the days performances are going.

CHECK OUT - When you check out of an event – you will be given 10 minutes to make yourself available once again for your attempt.

LONG JUMP, TRIPLE JUMP, HIGH JUMP and POLE VAULT

You must have your steps measured before arriving. YOU CANNOT run backward up the runway to measure your steps.

Use of chalk or markings in the grass are acceptable to mark steps but NO TAPE.

If a field athlete is going to be leaving for a running event – they will be required to take two attempts if they are on their first or second rotation.
